

 ANTELOPE SAFARIS

Beyond just a Safari Experience

Overview

Tanzania Lodge Safari means that you will stay in luxury, and generally, in a typical African manner of spending the night in very comfortable maisonettes or lodges within many cases complete roofs, and the inside is typically African, with multiple designed wooden materials, bright coloured carpets and African wood crafts. Most of the lodges provide internet connections, swimming pools, gyms and more facilities. Tanzania Lodge safaris are for the perceptive travellers, who wish to experience Africa's wilderness in comfort and ease. During the day, you will be out in the bush exploring the wilderness of Tanzania and in the evenings you will enjoy all the amenities your lodge has to offer.
