

**ANTELOPE SAFARIS**

# Heavenly Holiday gateway

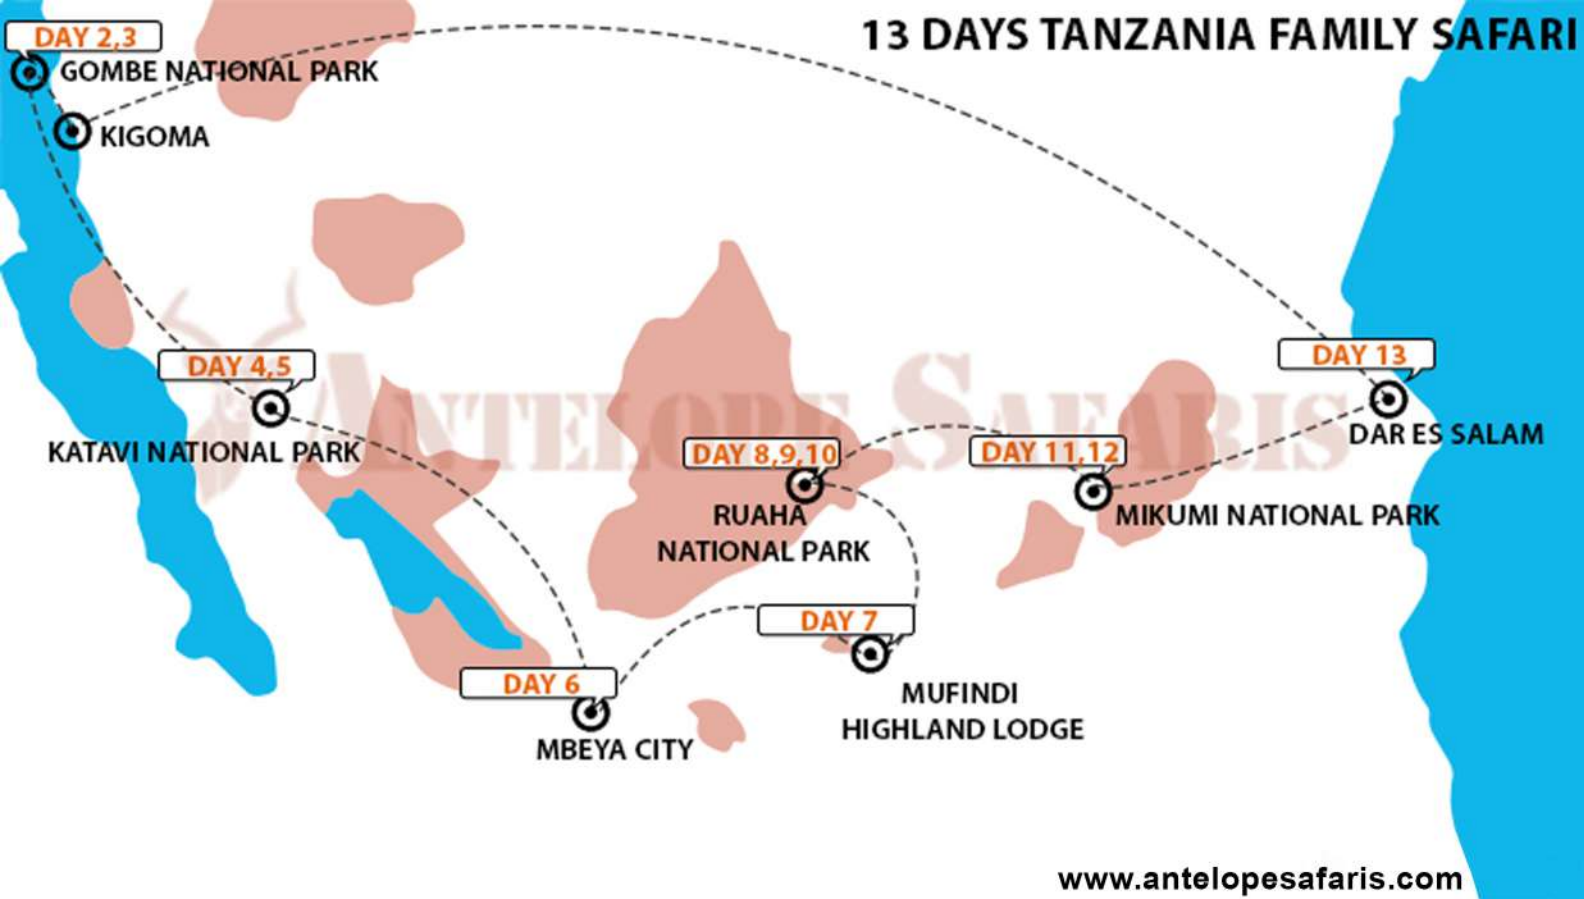

## *Overview*

Tanzania is a quintessential safari land where a million animals can be spotted in their natural habitat. The place is not only having rich wildlife but also has diversified rich cultures and the land has to offer something interesting for all the people irrespective of age and choices.

A Tanzania safari holiday is a delightful and ideal break for family holidays. A tour to Tanzania is not only a holiday gateway but also a great learning process for the children where the young minds get a practical overview of the real wild world along with they learn to respect and treasure the nature.
